

## ASHBOROUGH BALL FIELD RESERVATIONS AND USAGE RULES

The following rules and guidelines exist for reserving and using the Ashborough Ball Field. Prior to usage, you are also encouraged to review the Ashborough Covenants and Restrictions, more specifically Article IX, Section 4 regarding "Sports Field" use. This document can be found at : [www.ashborough.org](http://www.ashborough.org) under "Information", "Forms", "Covenants and Restrictions".

1. Only Ashborough Class A, B & C members in good standing that are properly designated as Coaches of a team or have a dependent on a team may reserve the ball field.
2. Each team must provide to the **Ball Field Reservation Coordinator** an up-to-date copy of the liability insurance from the league to which the team is associated.
3. Reservations are made via the **Ball Field Reservation Coordinator** on a first call basis.
4. No team may reserve the ball field for two nights of use until all leagues have started practice and sufficient time given for everyone to have a chance to call.
5. Reservations for teams desiring a Saturday practice are normally only scheduled for Saturday morning. If an Ashborough resident is planning a party, has reserved the Civic Building or Picnic Shelter, requests the ball field for the day, and a conflict exists with a requested practice, the **Ball Field Reservation Coordinator** will resolve the conflict.
6. The ball field may be reserved for all sports (baseball, softball, soccer, flag football, etc.) and Ashborough resident parties. The **Ball Field Reservation Coordinator** maintains a year-round schedule.
7. All Coaches and Ashborough residents desiring the ball field for a particular sport or program must provide all of their own equipment for that sport (bases, soccer goals, etc.). Neither the **Ball Field Reservation Coordinator** nor the **Ashborough Civic Association** maintains sports equipment for check-out or rental.
8. Coaches must ensure vehicles for team members/parents park in designated areas only. Parking on the field is not permitted without approval from the Board of Directors. Parking on the grass adjacent to the road also is not permitted. Residential street access must not be blocked.
9. The **Ball Field Reservations Coordinator** routinely checks the field for ant hills and requests that any organization or Ashborough resident who discovers ant hill problems on the field report the same so that measures may be taken to remove them.
